

RTMC AND SCANIA TACKLLES ROAD SAFETY

The Corporation in partnership with Scania South Africa conducted a road safety awareness campaign in Polokwane, Shell Ultra-City N1 North bound. The programme was aimed at raising awareness and educating road users. The drive focused on health and wellness, vehicle fitness and safer road users. A number of National Traffic Police official were deployed to assist in stopping and directing traffic together with inspecting heavy vehicles. Drivers were also able to check their fitness at a mobile clinic that was erected. Officials from the Corporation were also engaging motorists at the filling station and handing out road safety related pamphlets and promotional items. Colleagues also promoted our social media pages that resulted in a significant increase in the following.

The schedule of the activations was as follows:-
