

Truck X exhibitions

On Thursday, 9 July 2015 the Road Traffic Management Corporation participated in Truck X exhibition at the Sandton convention centre in Sandton, Johannesburg. Trucking and Logistics industry gathered in one room to discuss challenges and growth opportunity in order to sustain the industry. The Corporation participated in an expo at the event that attracted industry role players. Road safety related educational and promotional items were handed out to attendees at the Corporation's exhibition stand. Attendees also signed road safety pledges to show their support in the efforts to create a safer road environment for all in South Africa.
