RTMC SADDENED BY THE DEATH OF MULAUDZI

The Road Traffic Management Corporation would also like to add its voice and send heartfelt condolences to the family and close friends of Mbulaeni Tongai Mulaudzi, who lost his life due to a vehicle crash that occurred on the 24 October 2014.

We are extremely saddened at the sudden demise of the former world middle distance runner. It is a major loss to the nation and Athletics South Africa and this was a young man who excelled in his sport and brought us much pride and joy. He was one of South Africa's decorated athletes and had made a conscious effort to invest in the development of young people to become better athletes. His passing away again brings to the fore the futile loss of youth to the road crashes pandemic.
