TWO KILLED AND SCORES INJURED IN MOLOTO BUS CRASH

Gauteng: A bus crashed in heavy rain on Moloto Road killing two people and causing injury to 39 others this morning.

It is believed that the bus veered off the road and crashed into the bushes before it overturned after the Roodeplaat Dam turnoff near Cullinan. Five people suffered serious injuries while 34 had minor cuts and bruises.

Motorists are urged to exercise extra caution when driving in rainy conditions.

The South African Weather Services has issued alerts warning of heavy rains, severe thunderstorms and localized flooding for many parts of country particularly in KwaZulu Natal and Western Cape.

A proud initiative of
The Department of Transport
