OPERATION COROLLA CONTINUE TO BREAK THE GROUNDS OF VEHICLE CERTIFICATION FRAUDSTERS

PRETORIA: Operation Corolla will leave no stone unturned in an attempt to address allegations of fraud and corruption at vehicle testing stations in the Province.

The Road Traffic Management Corporation in collaboration with the Hawks” Serious Corruption Investigation Unit and Special Investigation Unit have arrested eighteen (18) more officials from two different privately-owned vehicle testing stations in Polokwane on 2019-10-17.

The officials allegedly used the identity particulars of unsuspecting individuals repeatedly to process and authorise roadworthy certificates for vehicles that were never physically brought to the testing stations.

Limpopo Transport and Community Safety MEC Mr Namane Dickson Masemola and RTMC CEO Advocate Makhosini Msibi joined the operation and called for more arrests to make roads safer.
